About the Journal

The Journal of Multidisciplinary and Translational Research (JMTR) is an open-access, peer-reviewed journal that is published online biannually by the Faculty of Graduate Studies, University of Kelaniya, Sri Lanka.

To expand the readership, starting with volume 8 issue II (2023), JMTR will only publish articles in English.

The Faculty of Graduate Studies, University of Kelaniya, Sri Lanka, covers the cost of publication on behalf of the authors on acceptance of their article.
