Abstract

Purpose: In one or two sentences, summarize the purpose of your study

Design/methodology/approach: In two or three sentences, summarize the research design of the study.

Findings: In one to four sentences, please identify what you consider to be the most important findings and insights of your study.

Originality: In one or two sentences, highlights the contribution from your study.

The following three sub-heading is optional

Theoretical and Policy implications: In one to four sentences, please identify what you consider to be the most important theoretical and practical implications of your study.

Research limitations/Future research directions: In one or two sentences, please identify the what you consider as the limitations of your study and the future directions.

Social Implications

In order to enhance both the review and eventual reading process of published manuscripts, please provide a structured abstract for each submission. Specifically, we are looking for an abstract (250-word maximum) that highlights the key features of your manuscript.

Please adhere to the formatting and layout which have been set up in this template. Keep single line spacing at after 6pt. Font type is Times New Roman. Font size is 12.

Keywords: *Keyword 1, keyword 2, keyword 3, keyword 4, keyword 5*

JEL Classifications: *A11, B22, C22*

CONTACT: Corresponding author name, email, postal address

1. INTRODUCTION

Give a brief introduction about the conducted study including the objectives. Only very important references should be included. Background, Research Problem, Purpose/Aims/objectives of the Study, Significance. Keep double line spacing at after 6pt. Font type is Times New Roman. Font size is 12.

2. LITERATURE REVIEW AND HYPOTHESES DEVELOPMENT

Critical Review of the literature which paves the way to build the present argument while addressing the gaps in literature. Identify the key hypotheses of the study and provide the rational for hypotheses development. Keep double line spacing at after 6pt. Font type is Times New Roman. Font size is 12.

3. METHODOLOGY

A description on research Philosophy/Approach, strategy, research context, sample selection, data collection methods. Keep double line spacing at after 6pt. Font type is Times New Roman. Font size is 12.

4. FINDINGS AND DISSCUSSION

An explanation on data analysis techniques and results while connecting to objectives/research questions. A meaningful discussion on the findings of the study by

comparing and contrasting the findings with the previous research findings that enable the researcher to locate the present research in the Paper. Keep double line spacing at after 6pt. Font type is Times New Roman. Font size is 12.

5. CONCLUSION(S)

Summary of the main findings, novel contributions of the study (theoretical, contextual, methodological), implications to the practitioners (if any). Provide the limitations and future research directions. Keep double line spacing at after 6pt. Font type is Times New Roman. Font size is 12.

REFERENCES

The APA 7th format should be used. Keep single line spacing at after 6pt. Font type is Times New Roman. Font size is 12.
